

## Proposition 65 Statement

To Our Customers, Suppliers, Distributors and Business Partners:

The State of California recently amended the regulations implementing the Safe Drinking Water and Toxic Enforcement Act of 1986, a/k/a „Proposition 65“, which requires companies selling their products in California to provide a warning to consumers if the product may cause exposure to any of the chemicals identified on the State’s Proposition 65 List.

KOBOLD Instruments Inc. is committed to a culture of compliance and addressing the requirements of Proposition 65. We have evaluated our product line and will ensure that our customers, suppliers, distributors and business partners have all the information required to achieve compliance with Proposition 65.

In the interim, if you have any questions regarding KOBOLD’s products and the corresponding requirements of Proposition 65, please contact us at 412-788-2830.
